BIO-IDENTICAL HORMONE REPLACEMENT THERAPY (BHRT) WORKSHOP

Clinical Guidelines and Practical Tutorials on How to
Successfully Implement BHRT in your Practice

FEATURING DR. PAMELA SMITH (MD, USA):

AMERICA'S LEADING EXPERT IN AGE MANAGEMENT AND HORMONES

EST. 1992
Representing 24,000 physicians
And scientists from
110 countries worldwide

27 November 2011 | Dubai, UAE

ANTI-AGING COMPOUNDING PHARMACY, DUBAI HEALTHCARE CITY

THE FIRST PRACTICAL UPDATE ON BHRT SINCE THE AVAILABILITY OF BIO-IDENTICAL HORMONES IN DUBAI

As a healthcare practitioner, you will have undoubtedly heard about the benefits of Bio-Identical Hormone Replacement Therapy (also known as BHRT).

The new specialty of BHRT has now advanced to the point where a much higher quality of life can be maintained despite the aging process.

WHAT ARE BIO-IDENTICAL HORMONES?

They are identical in molecular structure to the hormones produced in the human body but are derived from a plant chemical extracted from yams and soy.

One of the benefits of BHRT is that the physician can order custom-mixed hormones at personalised doses which allow for an individualised treatment tailored to each patient's individual needs.

BHRT IN DUBAI: A GROUNDBREAKING DEVELOPMENT

2011 sees a major change in the availability of compounded hormones in the UAE as the Ministry of Health (MOH) has granted a license to a state of the art compounding pharmacy in the UAE.

Join us on the 27th of November to find out how this will affect you!

“Together with the American Academy of Anti-Aging Medicine, we aim to transform the resources available to physicians for the prevention and treatment of hormonal imbalances and other age-related factors. With the full support of the Ministry of Health (MOH), the opening of the first-ever compounding pharmacy in Dubai is set to be a major step forward in the way patients and physicians alike look at the methods available to improve not only their lifespan but most importantly their quality of life”

LEARN FROM AMERICA'S TOP HORMONE EXPERT AND EXPLORE THE RESOURCES BEHIND BHRT

*Do you need more information on the resources needed to offer BHRT?
Do you need more evidence on this topic?*

Are you looking for practical guidelines for a safe and efficient use of bio-identical hormones?

THIS 1 DAY WORKSHOP WILL INCLUDE

- Practical tutorials on HOW to treat clinical symptoms with BHRT
- A thorough update on the regulations behind BHRT
- Wholistic Dermatology; Health, Hormones, Beauty & Happiness
- The Scientific Evidence behind Bio-Identical Hormones
- How and Where to source your Prescriptions?
- An opportunity to make a contact with a credible provider of compounding services
- The Interconnection of Hormones and Skin Condition

Join us on the 27th November to meet two leading Anti-Aging experts from the USA:

“Hormonal deficiency is one the major cause of common age-related subclinical diseases and is often overlooked in traditional medicine. This brand new workshop will provide a quick but practical answer to the medical evidence on bio-identical hormones over synthetic hormones and will review the methods available for an individualized and integrative approach to patient management based on BHRT”

DR. PAMELA SMITH, MD - AMERICA'S TOP EXPERT & LECTURER ON THE TOPIC OF HORMONES AND AGE MANAGEMENT

DIRECTOR OF THE FELLOWSHIP AND ANTI-AGING, REGENATIVE AND FUNCTIONAL MEDICINE

“From health comes beauty: Optimizing the whole body, inside and out is essential. Bio-Identical hormones slow down the clock and help maintain the health of the skin, mind and body”

DR. JULIA HUNTER, MD - SKIN SPECIALIST & ANTI-AGING EXPERT IN BEVERLY HILLS

A PRACTICAL WORKSHOP IN A CLINICAL ENVIRONMENT: SO MUCH MORE TO LEARN THAN IN A CONFERENCE ROOM!

For the first-time ever in Dubai, the American Academy of Anti-Aging Medicine is hosting its event at a compounding pharmacy to allow participants to fully engage with the clinical aspects of BHRT

The newly opened Anti-Aging Compounding Pharmacy offers:

- **4500 feet of space:** A spacious venue for the event!
- **Clean Room:** Gain a practical insight into the preparation of medication and hormones!
- **Affiliated anti-aging clinic:** Take a tour and find inspiration for your next clinic!
- **On-Site pharmacist and staff:** Network with the professionals behind the scene!
